If Your Statement and Checkbook Do Not Agree

- Compare transaction amounts on the statement to your checkbook.
- Compare deposits or other credit amounts on the statement to your checkbook and your receipts.
- Be sure all transactions (checks, ATM transactions, transfers, automatic payments, and service charges/fees) are recorded in your checkbook.
- If your account is still out of balance, please notify us immediately.

In Case of Irregularities on This Statement

The bank is released from liability or claim of loss except when the depositor has reported a discrepancy or irregularity in connection with the account within 30 days from the date of statement in which the discrepancy occurred.

In Case of Errors or Questions About Electronic Funds Transfers

Call or write us at the telephone number or address listed below, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days for VISA debit card point-of-sale transactions processed by VISA and 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction action, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days for VISA debit card point-of-sale transactions processed by VISA and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation by contacting us at the address below. The bank reserves the right to charge for necessary investigation time if it is discovered that the bank is not in error.
