Section 6.2 Articles and Bylaws. The Articles and Bylaws of the Association, as may be amended from time-to-time, shall bind all Owners and are by this reference an integral part of this Declaration. The Articles and Bylaws may be amended in accordance with the terms of each and the laws of Idaho.

Each Owner of a Lot (including Declarant or its Designated Successor) shall be a member of the Association, except the Declarant and the Declarant's Successor in interest shall be entitled to membership so long as it owns (in title or contract) any property within the approved Project. ## ARTICLE 8 BUDGET AND ASSESSMENT

Section 8.1 Assessments. Each Owner, by becoming an Owner of a Lot, whether or not it shall be so expressed in any deed, contract, or other instrument, is deemed to covenant and agree to pay to the Association: (a) Regular Assessments; (b) Special Assessments; (c) Emergency Assessments; (d) Fine Assessments; and (e) Corrective Assessments, all as described in Section 10.2 of the Association's Bylaws; with all such assessments to be established and collected as hereinafter provided or as provided elsewhere in the Governing Documents (the "Assessments" or "assessments"). The Assessments, together with late fees, NSF fees and interest as described below or elsewhere in the Governing Documents, costs and reasonable attorney's fees incurred in the collection of the same, shall, when assessed or imposed, be a charge on the Lot and shall be a continuing lien, in the nature of a mortgage upon the Lot, against which such assessment is made. Each such Assessment, together with interest, costs and reasonable attorney's fees as described, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment was made. No Owner may exempt himself from liability for Assessments, by non-use, abandonment or any other means. No diminution, abatement, or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs, improvements, rules or from any other action taken. The sums required by the

Association for common expenses as reflected by the annual budget and any supplemental budgets, and other items for which assessments may be imposed, shall be paid as specified in the Bylaws. The Declarant and Lakeside Real Estate Holdings I, LLC (or any affiliate of either) shall not be required to pay assessments on undeveloped or developed Lots owned by such persons within the Project.

Section 8.2 Proceeds Belong to Association. All assessments and other receipts received by the Association pursuant to the provisions hereof shall belong to the Association.

Section 8.3 Association Expenses. The Board shall acquire and pay for, as common expenses of the Association, all goods and services reasonably necessary or convenient for the efficient and orderly functioning of the Association. The goods and services shall include, but not limited to, utility services for the Common Areas and facilities; policies of insurance and fidelity bonds; legal and accounting services; maintenance; repair; landscaping; gardening and general upkeep of the Common Areas and facilities (except where the Owners have such responsibility under the provisions hereof); and all supplies, materials, fixtures and equipment that are in the Board's judgment necessary or desirable for the operation of the Association and enjoyment of it by the Owners. The Board may hire such full-time or part-time employees as it considers necessary, and, further, the Board may delegate such of the administrative function of the Board as it deems appropriate to a third party service provider, including the invoicing, collection and conduct of meetings, and the fees for such services shall be common expense of the members. In addition, as a common Association expense, the Board may establish, set aside and fund reserves in order to meet anticipated future expenses and capital improvements and replacements, and collect the same as part of the Regular or Emergency Assessments of the Association.

## ARTICLE 9 COLLECTION OF ASSESSMENTS

Section 9.1 Assessments are Personal Obligations and Lien on Assessed Lots. All sums assessed by the Association chargeable to any Lot or Owner (together with interest, late charges, costs and attorney's fees in the event of delinquency) shall be a continuing lien against the Lots and shall be the joint and several personal obligations of the Owners of the applicable Lots. All remedies for payment shall be maintainable without foreclosing or waiving the liens securing payment.

Section 9.2 Late Charges and Interest on Delinquent Assessments. The Board, in accordance with the Bylaws, may from time-to-time establish late charges, and a rate of interest to be charged on assessments that become delinquent.

Section 9.3 Elimination of Service and Suspension of Voting Rights for Non-Payment. In case of non-payment or delinquency in the payment of assessments or other fees imposed by the Board, the Board may, (A) upon ten (10) days' notice to the Owner, occupant, or person in charge of the Lot, eliminate any service of the Association related to that Lot or (B) upon notice to the Owner suspend the voting rights attributable to the ownership of the Owner's Lot until such time as all assessments are paid current. No recommencement of services shall occur until such delinquent assessments, fees and a recommencement fee as may be established by resolution of the Board, have been paid to the Board. Elimination of service shall in no way preempt or prohibit any other enforcement right of the Board.

Section 9.4 Failure to Assess. Any failure, by the Board or the Association, to make the budget and assessments hereunder before the expiration of any year for the ensuing year, shall not be deemed a waiver or modification in any respect of the provisions of the Governing Documents, or a release of the Owners from the obligation to pay assessments during that or any subsequent year. The assessment amount assessed for the preceding year shall continue until a new assessment is established.

Section 9.5 Remedies Cumulative. The remedies provided herein are cumulative, and the Board may pursue them and any other remedies, which may be available under law although not expressed herein, either concurrently or in any order.

Section 9.6 Statement of Assessments. Any Person may request a statement from the Association regarding the amount of assessments and any related charges owed in connection with any Lot. Upon request, the Association shall provide a statement regarding such assessments and/or other charges then owed on a Lot; but may charge a reasonable fee for providing such a statement, as determined from time to time by the Board. Any Person obtaining such a statement and relying in good faith on such statement in becoming an Owner or Mortgagee in connection with any Lot shall acquire their interest in such Lot free of any lien arising in connection with assessments and other charges imposed against such Lot prior to the date of such statement. No such statement shall, however, eliminate or diminish the personal obligation of any Owner of such Lot, regardless of whether applicable assessments or other charges were listed in such statement.

ARTICLE 10  
FAILURE TO INSIST ON STRICT PERFORMANCE: NO WAIVER

The failure of any interested Person in any instance to insist upon the strict compliance with the Governing Documents, or to exercise any right contained in such documents, or to serve any notice or to institute any action, shall not be construed as a waiver or a relinquishment for the future of any term, covenant, condition or restriction. The receipt by the Board of payment of an assessment from an Owner, with knowledge of a breach by the Owner, shall not be a waiver of the breach. No waiver of any requirement shall be effective unless expressed in writing and signed by the Person waiving such requirement.

ARTICLE 11  
LIMITATION OF LIABILITY

Section 11.1 General Limitation. So long as a Board member, or Association Committee Member, or Association Officer, or Declarant, or Managing Agent has acted in good faith without willful or intentional misconduct upon the basis of such information as is then possessed by such Person, no such Person shall be personally liable to any Owner, or to any other Person, including the Association, for any damage, loss or prejudice, suffered or claimed on account of any act, omission, error or negligence of such Person; and the Board members Committee members, Association Officers, Declarant, Lakeside Real Estate Holdings I, LLC, any Managing Agent and the respective owners, officers, employees, agents and representatives of any of them, shall be indemnified by the Association to the maximum extent permitted by Governing Law; provided, however, that this section shall not apply to

the extent compensation is recovered in respect of the consequences of such act, omission, error or negligence from insurance proceeds through any policy obtained by the Board.

Section 11.2 Specific Limitation Related to Personal Liability of Certain Persons. Each Owner, in addition to the other limitations contained herein and not to the exclusion of any other limitation, agrees that no member of the Board, or any committee of the Association, or any officer, agent or employee of the Association shall be personally liable to any Owner, or to any other party, including the Association, for any damage, loss or prejudice suffered or claimed on account of any, act, omission or negligence of the Association, the Board, or any representative, or employee of the Association, or the Committee, or any other committee, or any officer of the Association, provided that such person has, upon the basis of such information as may be possessed by him, acted in good faith, without willful or intentional misconduct.

## ARTICLE 12 MORTGAGEE PROTECTIONS

Section 12.1 Mortgagee Protection: General Requirements. A breach of any covenant, condition or restriction herein contained or any enforcement thereof, shall not defeat or render invalid any Mortgage now or hereafter executed upon the Property or a portion thereof; provided, however, that if any portion of the Property is sold under a foreclosure of any Mortgage, any purchaser at such sale and its successors and assigns shall, as an Owner, hold any and all Property purchased subject to all the provisions of these Governing Documents.

Section 12.2 Mortgagee's Obligations as to Assessments. Each holder of a First Mortgage (including any purchaser from such holder) on a Lot who comes into possession of a title to said Lot by virtue of foreclosure of the Mortgage, or by deed, or assignment in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the Lot free of, and shall not be liable for, any unpaid claims or assessments and charges against the Lot that accrue prior to the time of such possession or acquisition of title, whichever is earlier, to the extent any such assessment(s) or obligation(s) (and additional charges imposed in connection therewith) was/were not listed in a statement provided by the Association under Section 9.6 or which have been included in the statement if no statement was obtained.

Section 12.3 Mortgagee's Right to Pay Charges. First Mortgagees in respect of any Association owned Property may pay charges that are in default and that may or have become a charge against any Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy, for such Common Area. First Mortgagees making such payments shall be owed immediate reimbursement therefore from the Association.

Section 12.4 Mortgagee's Lien Superior to Association's. Except as provided in Section 12.2, the lien of the Assessments provided for herein shall be subordinate to the lien of any First Mortgage. No sale or transfer of any Lot shall affect the Association's continuing lien. No sale or transfer shall relieve the Owner of any Lot, who was its Owner at the time that the assessment first became due from liability for any assessments.

Section 12.5 Notices to Mortgagees. Any Mortgagee may file with the Secretary of the Board a written request that it be given copies of notices. Until such request is withdrawn or the Mortgage is satisfied, the Board shall endeavor to send to the requesting Mortgagee a copy of all documents sent to Owner of the mortgaged Property. Holders of first Mortgages, who requested notice shall be entitled to prompt notice of any default in an Owner's obligations under these Governing Documents of the project that is not cured within thirty (30) days of the date of default. The provisions of this section shall prevail over any inconsistent or contrary provisions in the Governing Documents.

Specifically, the Board will strive to send the following notices, in writing, to any Mortgagee if requested in writing:

12.5.1 Mortgagee's Notice of Change. Notice of any proposed change in the Governing Documents, which notice shall be given thirty (30) days prior to the effective date of such change; and

12.5.2 Mortgagee's Notice of Default. Notice of any default in Owner's obligations under the Governing Documents, which default is not cured within thirty (30) days.

Section 12.6 Mortgagee's Right to Inspect Records. Notwithstanding any language contained in the Governing Documents to the contrary, Mortgagees shall have the right to examine the books and records of the Association.

#### ARTICLE 13 SEVERABILITY

The provisions of this Declaration shall be independent and severable, and the unenforceability of anyone provision shall not affect the enforceability of any other provision.

#### ARTICLE 14 EFFECTIVE DATE

This Declaration shall take effect upon recording.

#### ARTICLE 15 ASSIGNMENT BY DECLARANT

Section 15.1 Declarant's Right to Assign. The Declarant reserves the right to assign, transfer, sell, lease or rent all or a portion of the Property then owned by it and reserves the right to assign all or any of its rights, duties and obligations created under the Governing Documents.

Section 15.2 Effect of Declarant's Assignment. Any and all of the rights, powers and reservations of the Declarant herein contained may be assigned to any person, corporation, partnership or association that will assume the duties of the Declarant pertaining to the particular rights, power and reservations assigned, and upon any such person, corporation, partnership or association evidencing its intent in writing to accept such assignment and assume such duties, it shall, to the extent of such assignment, have the same rights and

duties as are given to and assumed by the Declarant herein. In the event of assignment, the Declarant shall be released from any liability from the date of assignment forward.

Section 15.3 Termination of Responsibility. In the event the Declarant shall convey all of its rights, title and interest in and to the Project to any partnership, individual or individuals, corporation or corporations, then and in such event, the Declarant shall be relieved of the performance of any further duty or obligation hereunder, and such partnership, individual or individuals, corporation or corporations shall be obligated to perform all such duties and obligation hereunder.

## ARTICLE 16 ENFORCEMENT AND DISPUTE RESOLUTION

Section 16.1 General Requirements. Broad enforcement is intended to protect the value of the Lots and the Property and to allow efficient enforcement and dispute resolution: first, claims and foreclosures of liens under Idaho Code 45-810 or successor statute, and, second, arbitration with optional mediation.

Section 16.2 Method One, Lien Enforcement for Failure to Pay Assessments. The Board, in its sole discretion may enforce payment of assessments through the statutory lien provisions under Idaho Code 45-810 or successor statute, as an alternative remedy to the method two arbitration (with optional mediation) set forth below, in which case method two shall not apply. In this method, the Board may, in accordance with Idaho Code, record a claim of lien for assessments not timely paid. The claim of lien shall include all assessments owed, attorneys' fees and interest (at the highest rate allowed by law or at amount specified in the Governing Documents). In the event that the Owner fails to pay the lien sums in full, the Board may foreclose on the lien, in accordance with Idaho law having the court instruct the sheriff to sell the defaulting Owner's home to pay all sums owed to the Association including but not limited to the original assessment, interest and attorneys' fees and costs related to the claim of lien and the foreclosing of the same. Notwithstanding the enforcement and foreclosure of any lien, the Owner shall remain personally liable for any unsatisfied deficiency in regard to unpaid assessments and any related charges, which remain unsatisfied following the foreclosure of any lien.

### Section 16.3 Method Two, Arbitration with Optional Mediation.

16.3.1 Optional Mediation. The Association or any Owner involved in a dispute regarding a violation of the Governing Documents may call for a minimum of a two (2) hour mediation. The mediation shall occur in accordance with Rule 16(k) of the Idaho Rules of Civil Procedure or successor rule, to the extent applicable, and the rules of the individual mediator. The particular mediator shall be nominated by the Party requesting mediation within ten (10) days of notice of dispute. If the Parties agree on the mediator, the mediation should be held as soon as practical. If the Parties, within ten (10) days, do not agree on the mediator, the corporate attorney for the Association shall name the mediator. Each Party shall enter into the mediation in good faith to resolve any dispute. The Parties shall each deposit with the mediator, prior to the session, an equal share of the cost of the two (2) hour mediation.

16.3.2 Arbitration. In the event any dispute remains unresolved following mediation, either Party may call for arbitration by appointing an arbitrator, within ten (10) days of the last day of mediation with an arbitrator who is reasonably qualified for the issue on which there is a dispute. Within ten (10) days of the appointment of said arbitrator, the other Party shall either, agree to the single arbitrator or shall appoint a reasonably qualified arbitrator, if the two arbitrators are so selected with ten (10) days, the two arbitrators shall select a third arbitrator (for ease in drafting a panel of arbitrators shall hereinafter also be referred to as "Arbitrator"). The rules and procedures for the arbitration shall be Idaho's Uniform Arbitration Act (Title 7, Chapter 9 of Idaho Statutes) or such similar statute as may then be in effect, unless the Arbitrator shall determine to vary such rules for time and cost effectiveness. In the event that either Party shall fail to act as required, the action to be taken or the choice of arbitrator in question shall be decided by the corporate counsel for the Association in order to assure a rapid arbitration of the matter. The panel of arbitrators by majority rule or the single arbitrator shall settle all disagreements, and the ruling of the arbitrators shall be the final and binding resolution. The decision of the Arbitrator shall be given the same weight as a judgment and may be confirmed as a judgment by either Party.

16.3.2.1 Pre-Decision Arbitration Procedures. The Arbitrator shall schedule a pre-conference to resolve procedural matters, arrange for the exchange of information, obtain stipulations and narrow the issues.

16.3.2.2 Arbitration Hearing. The arbitration shall be conducted in Kootenai County. The Parties may represent themselves or be represented by legal counsel. The Parties may offer such evidence as is relevant and material to the dispute. The Arbitrator shall be the judge of relevance and materiality.

16.3.2.3 Arbitration Decision. In rendering a decision, the Arbitrator shall determine the rights and obligations of the Parties according to the terms and provisions of the Governing Documents. The Arbitrator shall issue the written decision as soon as reasonably possible following the conclusion of the arbitration hearing, but in any event no later than thirty (30) days after the conclusion of the arbitration hearing. The Arbitrator's decision shall be based on the evidence introduced at the hearing, including all logical and reasonable inferences that may be drawn therefrom. The Arbitrator may make any determination and/or grant any remedy or relief that is just and equitable; provided, however, in no event may the arbitrator award punitive damages. The decision shall be conclusive and binding, and the appropriate court with jurisdiction, in accordance with the Idaho Uniform Arbitration Act may thereafter confirm it as a judgment.

16.3.2.4 Attorneys' Fees and Costs. The Arbitrator, may award costs, including, without limitation arbitrator's fees and costs, attorneys' fees and expert and witness costs to the prevailing party

16.3.2.5 Payment of Fine, Costs or Elimination of Violation. The non-prevailing party shall fulfill the order of the Arbitrator within ten (10) days

of the issuance of the arbitration decision. If the Owner fails to comply with the arbitration decision; then in addition to the decision, the Owner shall pay interest on any monetary award at the statutory rate set forth in Idaho Code 28-22-104(2) or successor statute. In the event of failure to act in conformity with the decision, the failing party shall pay One Hundred Dollars (\$100) per day (adjusted for inflation calculated at the value of One Hundred Dollars (\$100) in the year 2012) each day after the ten (10) days until the conformity of the decisions occurs. Additionally, a non-prevailing Owner shall pay any and all attorney's fees and cost, for obtaining judgment and collection of monetary award and enforcement of non-monetary reward.

16.3.2.6 Arbitration in the Absence of a Party or Representative. The arbitration shall proceed in the absence of any party or representative who, after due notice, fails to be present or fails to obtain a postponement. An award shall not be made solely on the default of a party. The Arbitrator shall require the party who is present to submit such evidence as the Arbitrator may require for the making of an award.

Section 16.4 General Rights and Obligations Related to the Broad Enforcement of the Governing Documents. Consistent with the broad enforcement the following shall apply:

16.4.1 Right of Entry. During reasonable hours, and upon reasonable notice, the Declarant or the Association or their agents, shall have the right to enter upon and inspect any Lot covered by the Governing Documents for the purpose of ascertaining compliance with the Governing Documents. Prior to taking any action of enforcement against any violating Owner, the Association shall deliver to the violating Owner written notice of the nature of the violation, a suggested remedy and reference to particular relevant portion of the Governing Documents. The violating Property Owner shall be allowed thirty (30) days to correct the violation. At the end of thirty (30) days if the violation remains, enforcement may be commenced.

16.4.3 Failure to Enforce is No Waiver. The failure to enforce any requirements contained in the Governing Documents shall in no event be deemed to be a waiver of the right to enforce that requirement or any other provision thereafter.

16.4.4 Exclusive Dispute Resolution. Enforcement of the Governing Documents, except the optional lien enforcement specified above, shall be made through the procedure set forth herein. The Owners, the Association and the Declarant (the "Parties") agree that the only method, exception for lien option, for settling disputes under the terms of the Governing Documents shall be set out in this Article 16.

16.4.5 Waiver of Right to Litigate. **EXCEPT AS EXPRESSLY PROVIDED HEREIN, THE PARTIES HEREBY IRREVOCABLY WAIVE ANY AND ALL RIGHTS TO RESOLVE A DISPUTE IN ANY MANNER, WHICH IS CONTRARY TO THE PROVISIONS OF THIS**

**ARTICLE, INCLUDING RIGHT OF TRIAL AND JURY, EXCEPTING LIEN OPTION FOR FAILURE TO PAY ASSESSMENTS.** The parties shall at all times conduct themselves in strict, full, complete and timely accordance with the terms of this section and all attempts to circumvent the terms of this article shall be absolutely null and void and no force or effect whatsoever (excepting the lien option for assessment enforcement).

**ARTICLE 17**  
**DURATION, MODIFICATION AND REPEAL**

Section 17.1 Duration of Protective Covenants. This Declaration shall continue and remain in full force and effect at all times with respect to the Project and each part thereof for a period of thirty (30) years, commencing on the date of recordation of this Declaration in the real property records of Kootenai County, except as the same may be modified as described in Section 17.2 below. Unless, terminated, this Declaration shall continue automatically for an additional period of ten (10) years and thereafter for successive ten (10) year periods until so terminated. Each Owner, by becoming an Owner of a Lot, acknowledges the Owner's desire to protect the Property through the Governing Documents and agrees to remain in compliance with the Governing Documents, as the same may be amended from time-to-time.

Section 17.2 Association Modification or Termination. This Declaration may be terminated or modified at any time by a written instrument executed by two-thirds (2/3) of the Board but shall not be effective until ratified in writing by a majority of the members of each class of the membership which then possesses voting rights under the terms of this Declaration and the Governing Documents.

**ARTICLE 18**  
**DECLARANT'S SPECIAL PROVISIONS**

Section 18.1 Limitation of Restriction. The Declarant and, to the extent applicable, any assignee under Article 15, is undertaking the work of developing the Project. The completion of the work and the sale, rental and other disposal of said Lots is essential to the establishment and welfare of the Project as a thriving subdivision. In order that said work may be completed as rapidly as possible, nothing in the Governing Documents shall be understood or construed to:

18.1.1 Prevent the Declarant, its contractors, subcontractors or designated assignees from doing on the Project or any Lot, whatever is reasonably necessary or advisable whether timely or untimely in connection with the completion of the Project; or

18.1.2 Prevent the Declarant, its designated assignees or approved builders from erecting, constructing and maintaining on any part or parts of the Project, such structures as may be reasonable and necessary for the conduct of its business and completing said work and establishing said Project as a community and disposing of the same parcels by sale, lease or otherwise; or

18.1.3 Prevent the Declarant, its designated assignees or approved builders from conducting on any part of the Project its business of completing the work and

establishing a plan of Ownership and of disposing of said Lots by sale, lease or otherwise; or

18.1.4 Prevent the Declarant, its designated assignees or approved builders from maintaining such signs or signs on any of the Project as may be necessary for the sale, lease or disposition thereof.

Section 18.2 Non-Warranty of Compliance and Enforcement. The Declarant does not, by the execution of this Declaration or the continuing participation directly or indirectly in or on the Board, warrant or guarantee enforcement and/or binding effect of this Declaration nor does the Declarant warrant that any Owner's use of the Property is or will be in compliance with the Governing Documents. Each purchaser of Property does hereby agree to accept all responsibility for enforcement of the Governing Documents individually and to release the Declarant from any lack of enforcement or non-conformity of any structure or use of Property.

Section 18.3 Release and Indemnification of Declarant. The Declarant has created Common Areas for the use of Owners, to be managed by the Association consistent with the Declarant's transfer of the Declarant's interest in the Common Areas. The Association agrees to hold the Declarant harmless from any liability related to any part of the Common Areas. Furthermore, the Association agrees to indemnify the Declarant or its designated successor from any and all loss and cost related to the Common Areas.

#### ARTICLE 19 ADDITIONS TO AND WITHDRAWALS FROM DECLARATION

Section 19.1 Annexation of Phases of Project. Phases may be annexed to the Project and become subject to the Governing Documents by either of the following methods:

19.1.1 Unilateral Annexation. The Declarant or, to the extent applicable, Declarant's designated assignee under Article 15, may annex any real estate adjoining the Property as it exists prior to such annexation. Such annexed property shall become a part of the Property and Project, subject to the Governing Documents, and subject to the jurisdiction of the Association, without the assent of the Association or its members, on condition that:

19.1.1.1 Any annexation pursuant to this paragraph shall be made within thirty (30) years from the date of recordation of this Declaration; and

19.1.1.2 A Declaration of Annexation shall be recorded prior to any sales to a member of the general public of any Lot in the area to be annexed. The Declaration of Annexation shall include the legal description of property to be annexed, shall incorporate the Governing Documents by reference and may contain such additions and modifications to the Governing Documents as the Declarant and/or assignee, as applicable, considers appropriate to reflect any different character of or plan for the added property.

19.1.2 Annexation by Approval. Upon the approving vote or written assent of the Declarant (while the Declarant owns any Lot in the Project) and the Owners of two-thirds (2/3) of the Lots, other than those owned by the Declarant, the owner of the property outside of the Project who desires to add it to the scheme of the Governing Documents and to subject it to the jurisdiction of the Association, may record a Declaration of Annexation in the manner described in the preceding subsection and thereby subject said property to the Governing Documents. Upon such annexation, such added property shall be part of the Property and Project, and subject to the Governing Documents.

Section 19.2 De-Annexation. During the Declarant's Control Period, the Declarant may de-annex any portion of the Property forming a part of the Project or Plat (excluding, however, any Common Area conveyed to the Association by the Declarant). Such de-annexed property shall no longer be subject to this Declaration, any prior Declaration, or any of the Governing Documents; except to the extent any easements, rights, reservations, exemptions, powers or privileges reserved to the Declarant pursuant to this Declaration burden the de-annexed property for the benefit of any Property which then remains subject to this Declaration or any amendments or modifications hereto. Such de-annexation shall be made by recording an amendment to this Declaration in the Kootenai County Recorder's Office, which amendment legally describes the de-annexed property and withdraws the de-annexed property from the Declaration and other Governing Documents. Such de-annexed property may be utilized by the Declarant, or any successor, assignee or transferee thereof, for any lawful purpose or use.

## ARTICLE 20 EASEMENTS

Section 20.1 Easement Specifically Reserved by the Declarant. The Declarant reserves an access easement over, across and through the Common Areas and facilities of the Project for the purpose of completing any unfinished Lots or other improvements and exhibiting and preparing Lots for sale and for the purposes of developing any contiguous land owned by the Declarant.

Section 20.2 Easement Granted to Utility Providers. The Declarant hereby grants to the utility providers and its successors and assigns an easement for the existing transmission lines and pipes passing through the Property and for ingress and egress for the purpose of maintaining replacing (including the right to install lines of larger capacity), and connecting to said lines, all at the sole cost and expense of said grantee. Any damage caused by grantee in exercising the rights granted hereunder shall be repaired by said grantee and grantee's sole cost and expense.

Section 20.3 Power of Association to Grant Easements. The Association, acting by and through its Board of Directors, shall have the right to grant easements for utility purposes over, upon, across, under or through any portion of the Common Area, and each Owner hereby irrevocably appoints the Association as attorney-in-fact for such purpose.

Section 20.4 Covenants Running with the Land. This terms and provisions of this Declaration shall constitute binding covenants that run with the land and bind each Owner and their successors and assigns.

ARTICLE 21  
MISCELLANEOUS PROVISIONS

Section 21.1 Constructive Notice and Acceptance. Upon recording of this Declaration, every person or entity who now or hereafter owns, occupies or acquires any right, title or interest in or to any portion of the Property has conclusively consented and agreed to all of the Governing Documents. This conclusive acceptance shall occur regardless of whether or not any reference of the Governing Documents is contained in the instrument by which such person acquired an interest in the Property.

Section 21.2 Agreement or Conveyances in Violation of Governing Documents. Any deed, lease, conveyance, contract or other instrument or action in violation of the Governing Documents shall be void and may be set aside by the Declarant or the Association.

Section 21.3 Captions. The captions of the Governing Documents are used for convenience only and are not intended to be part of the Governing Documents or in any way to define, limit or describe its scope or intent.

Section 21.4 Entire Covenant. There are no other verbal or other agreements or matters, which vary the terms of the Governing Documents except those in writing and adopted in accordance with the requirements of the Governing Documents. The Governing Documents are the entirety of the covenants, conditions and restrictions, and shall not be altered except as specified in the documents and in accordance with Idaho law.

Section 21.5 Interpretation. The Governing Documents shall be interpreted in accordance with Idaho law and shall be strictly interpreted to enforce the purpose of this Declaration. The Board shall as the administrator of the Governing Documents and have the right and power to specify the correct interpretation. The Board's interpretation shall be deemed to be the only correct interpretation.

Section 21.6 Conflict of the Governing Documents. If there is any conflict among or between the documents, the provisions of this Declaration shall prevail; thereafter, priority shall be given to any recorded Declaration of Annexation, Articles of Incorporation, Bylaws and Rules and Regulations of the Association in that order.

Section 21.7 Consistency with Federal Housing Authority and Secondary Market Restrictions. The Governing Documents are intended to be consistent with federal and state laws and regulations as required for lending of money for homes and for sale of Mortgages covering Lots in the secondary market, and/or under any lending programs administered through governmental agencies and/or government sponsored enterprises such as HUD, FHA, FNMA, USDA and similar entities as determined appropriate by the Declarant. In the event of any conflict between the Governing Documents and any such applicable regulations or guidelines, the Declarant may unilaterally, at the Declarant's sole option, amend each conflicting provision in order to eliminate the conflict.

In such circumstances, the Board, in its discretion, may approve alternative proposals, which are as compliant with the Rules and Regulations as possible, but which acknowledge the unique circumstances to be addressed, if the Board or its agent or committee, in its discretion, determines that a variance is appropriate, that the variance is not in conflict with the general community interest of the Property, that the granting of the variance will not be materially detrimental to the neighboring property Owners; and that the granting of the variance does not appear to be contrary to the general goals and policies of the Governing Documents.
